Is the number of isolated/shielded staff who can work remotely adequate to maintain services?

Use of Remote Solutions

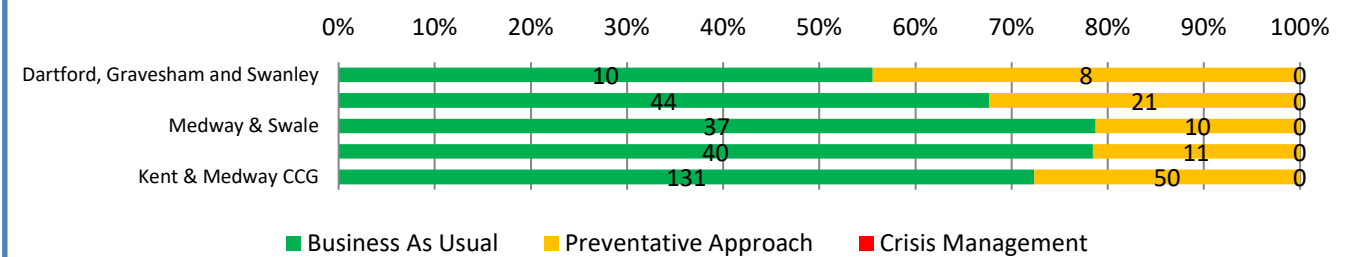

Kent & Medway CCG - Overall PPE Stock Status

9 (5%) of the practices responding have reported critically low stock of at least 1 item.

A number of practices report issues registering on the PPE Portal. Fluid resistant masks and disinfectant wipes remain in shortest supply.

Overall Status

No practices are reporting their status as Crisis Management.

There are continued requests for guidance around timescales for hot site closures and the use of Microsoft Teams for meetings.

Kent & Medway CCG Provision of Occupational Health Services
